HARBOUR OF MONTREAL

SUN LIFE DOMINION SQ.

MONTREAL IS

named after Mont-Royal, or Mont-Real, the name Jacques Cartier gave to the mountain which overlooks the city.

on an island thirty miles long, between seven and ten miles wide, having an area of 194 square miles.

a city occupying about one-quarter of the island, being about fifty square miles in area.

thirteen miles in length, parallel to the St. Lawrence and stretching nine miles across the island to Rivière des Prairies.

the largest city in Canada and the seventh in America.

the third largest French-speaking community in the world.

situated at the head of ocean navigation in the St. Lawrence River about 1,000 miles from the ocean.

at the foot of inland navigation over the canal system and waterways which extend 1,200 miles into the heart of the continent.

the greatest inland port in the world and ranks second only to New York on this continent as a seaport.

connected with the mainland by thirteen bridges, the largest being the Jacques Cartier, Honoré Mercier, and Victoria Jubilee bridges.

a great industrial centre.

the headquarters of trans-Canada airlines.
